HB 2864-S by House Committee on Transportation
 (originally sponsored by Representatives Skinner, Fisher, Mitchell, Ogden, Hankins and Hurst)

Funding traffic safety improvements.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares an intent to increase fines in order to deter the behavior leading to traffic infractions and crimes, thus reducing the injuries and deaths that result from traffic crashes.

Provides that the increased portion of fines identified in this act will be used solely to fund programs to reduce traffic crashes and reduce the severity of injuries from those

crashes and for other traffic safety purposes as outlined in this act.

Provides that, in addition to any other penalties imposed under this act, a person found to have committed a traffic infraction other than of RCW 46.61.440 or 46.61.527 will be assessed an additional penalty of ten dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. Revenue from the additional penalty must be forwarded to the state treasurer for deposit in the traffic safety improvement account.

Provides that, in addition to any other penalties imposed for conviction of a violation of this title that is a misdemeanor, gross misdemeanor, or felony, the court must impose an additional penalty of fifty dollars. The court may not reduce, waive, or suspend the additional penalty unless the court finds the offender to be indigent. Revenue from the additional penalty must be forwarded to the state treasurer for deposit in the traffic safety improvement account.

Placed on second reading by Rules Committee.

HB 2929-S2 by House Committee on Appropriations (originally sponsored by Representatives McDonald and Linville)

Modifying requirements concerning on-site sewage disposal systems.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Recognizes that a major source of nonpoint pollution is failing on-site sewage disposal systems. The 1999-2001 Puget Sound water quality work plan, developed by the Puget Sound water quality action team, indicates that local governments have reported failure rates for on-site sewage disposal systems of up to twenty-five percent along the shoreline of Puget Sound.

Finds that the public health and water quality can be better protected by: (1) The development of better data; (2) the development of clear lines of responsibility between the designer, installers, and homeowners; and (3) clarifications to the existing law regarding on-site sewage disposal systems.

Requires the department of health to develop a model program pertaining to on-site sewage disposal systems that describes the authorities, roles, and responsibilities of designers, installers, and homeowners. In developing the model program, the department shall involve local health jurisdictions, owners of on-site sewage disposal systems, designers and installers of on-site sewage disposal systems, and builders.

Directs the department of health to develop recommendations for establishing a state-wide system of risk assessment data for on-site sewage disposal systems. The department shall consult with local health jurisdictions in developing the recommendations.

Provides that the act shall be null and void if appropriations are not approved.

HB 3134 by Representatives Kessler, Mulliken, Cairnes and Grant

Improving the administration of municipal taxes.

Declares an intent to produce a system of business taxation by cities that strives for uniform and consistent treatment of taxpayers, avoids multiple taxation of the same gross income, provides taxpayers with certainty in the determination of their tax liability, and allows for fair division of gross income of businesses between and among local jurisdictions.

Declares it is not the intent to create any new or expand any existing city taxing authority upon business activities. Rather, it is an attempt to consolidate into a single chapter the current tax measures that cities use to tax business activities.

Repeals RCW 35.21.706, 35.21.710, 35.21.711, 35.21.712, 35.21.714, 35.21.715, 35.21.850, 35.21.865, 35.21.870, and 35.21.871.

Senate Bills

SB 6212-S by Senate Committee on Transportation
(originally sponsored by Senators T. Sheldon, Haugen and Oke)

Preserving passenger-only ferry operations.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, if the department discontinues one or more passenger-only ferry crossings on Puget Sound or any of its tributary or connecting waters, whether or not the department has initiated service on that crossing, any nonprofit corporation, public-private partnership, transit agency, municipality, private entity, person, or any combination of them, may apply to the commission for a

permit to operate a passenger-only ferry service at the crossing where service was discontinued by the department.

Directs the commission, in issuing a permit to a passenger-only ferry operator, to require that liability and property damage insurance be acquired and maintained on each vessel or ferry to be used to provide service.

Authorizes the commission, upon complaint by an interested party, or on its own motion after notice and opportunity for hearing, to cancel, revoke, suspend, alter, or amend a permit issued under this chapter on any of the following grounds: (1) Failure of the permit holder to initiate the proposed service within one year after the permit has been granted;

(2) violation of any provision of this act;

(3) violation of or failure to observe the provisions or conditions of the permit or tariff;

(4) violation of an order, decision, rule, regulation, or requirement established by the commission under this act;

(5) failure of a permit holder to maintain the required insurance coverage in full force and effect; or

(6) failure or refusal to furnish reasonable and adequate service after initiating service.

Creates the joint task force on ferries.

Requires the joint task force on ferries to meet during the interim and report back to the transportation committees of the senate and house of representatives by December 15, 2000. The task force is charged with development of an orderly process to examine all possible solutions that are presented to the task force, including, but not limited to, continued operation of passenger-only ferry service by Washington State Ferries, state and local partnerships, local partnerships, government and nonprofit partnerships, and private operations. The task force shall consider public options first, nonprofit options second, and private operations third.

Reporting information on routine traffic enforcement.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Establishes provisions relating to reporting information on routine traffic enforcement.

Provides that, beginning January 1, 2001, every law enforcement agency in this state shall collect, and report quarterly, on forms provided by the department, the

following information: (1) The number of individuals stopped for routine traffic enforcement, whether or not a citation or warning was issued;

(2) identifying characteristics of the individual stopped, including the race or ethnicity, approximate age, and gender;

(3) the nature of the alleged violation that led to the stop;

(4) whether a search was instituted as a result of the stop; and

(5) whether an arrest was made, or a written citation issued, as a result of either the stop or the search.

Directs the department to compile the information required and make an interim report to the legislature no later than January 1, 2002, and a final report to the legislature no later than July 1, 2003.

Expires July 1, 2003.

SB 6731-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Spanel and Gardner)

Creating a Lake Whatcom landscape plan.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Requires the landscape plan to address at least the following topics: (1) Establishing riparian management zones along all streams, as classified under chapter 5, Laws of 1999 sp. sess. The department shall manage lands within such zones to protect water quality and riparian habitat, and interdisciplinary technical teams may recommend to the department restrictions upon timber harvest and yarding activities on a case-by-case basis;

(2) harvest and road construction upon unstable slopes should be carefully regulated, including limiting new road construction and old road reconstruction on unstable slopes, including windthrow buffers during harvest, as necessary;

(3) creating and implementing a sustainable yield model specific to the Lake Whatcom watershed that encompasses the revised management standards and that is consistent with the sustained yield established by the board of natural resources;

(4) the department should build on the existing draft Lake Whatcom landscape plan and incorporate both new information from the community and new scientific information when available; and

(5) the development of a road management plan for the watershed.

Requires the landscape plan to be completed and implementation initiated by June 30, 2001.

(originally sponsored by Senators Costa, Goings, Kline and Oke)

Requiring ignition interlock devices upon any DUI conviction.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Requires ignition interlock devices upon any DUI conviction.

Provides that an applicant for an occupational driver's license is eligible to receive such license only if the applicant, where subject to suspension or revocation under RCW 46.61.502, 46.61.504, 46.20.3101(2)(a) or (3)(a), provides to the department proof of installation of an ignition interlock or other biological or technical device on his or her vehicle from a provider certified by the Washington state patrol. The Washington state patrol shall revoke the certification of a provider that issues any false or inaccurate form of proof of installation of an ignition interlock or other biological or technical device.

Provides that any person whose license is restricted to operating only a motor vehicle with an ignition interlock device installed may operate an employer's vehicle without an ignition interlock device installed during normal business activities, provided that the person does not partly or entirely own or control the employer's vehicle or business.

Provides that in the case of a person whose alcohol concentration was at least 0.15, the person may make application for a new license after the expiration of six months from the date the license or privilege to drive was revoked if the applicant provides the department with proof of installation of an ignition interlock or other biological or technical device on his or her vehicle. The applicant must agree to operate no other vehicle for a period of one year from the date of issuance of a new license except as allowed in RCW 46.20.720(4).

Provides that the act shall be null and void if appropriations are not approved.
